To Whom It May Concern:

This letter is in reference to Todd Anderson who has been our assessor since 2004.

This past year, our township underwent a revaluation conducted by Todd. The results of the assessment sparked increased attendance by taxpayers in the Open Book session in addition to a large volume of telephone calls by our residents. We felt Todd was courteous, informative and respectful to all our citizens during this time. As a result of his professionalism, only two property owners petitioned to appear before the Board of Review.

In general, Todd is diligent in updating and maintaining records for our township. On a personal level, I enjoy working with Todd and find him to be timely in his response to the questions I have.

Sincerely,

Kris Hughes
Town Chairperson
